Egypt Academic Discovery Tour 2026

Ages 9 to 17

*Bespoke
Global Perspective
in Action*

Destination: Cairo • Alexandria • Luxor, Egypt

Dates: Summer 2026 (Exact schedule to be announced)

Academic Focus: History • Archaeology • Culture •
Cross-Curricular Learning

Duration: 1 Week

Programme Highlights

Students will embark on a once-in-a-lifetime journey into the heart of one of the world's oldest civilizations. This tour is carefully curated to blend academic enrichment, cultural immersion, and hands-on exploration, making learning come alive beyond the classroom.

01

Guided Exploration of Iconic Landmarks

Walk in the footsteps of pharaohs with visits to the Great Pyramids of Giza, the Sphinx, and the Valley of the Kings, while expert Egyptologists bring history to life through engaging storytelling.

03

Immersive Academic Workshops

Participate in interactive sessions that connect ancient Egyptian innovations in mathematics, astronomy, medicine, and architecture to modern-day science and technology.

02

Cultural Heritage & Cross-Curricular Learning

Participate in interactive sessions that connect ancient Egyptian innovations in mathematics, astronomy, medicine, and architecture to modern-day science and technology.

04

Exploring African Roots & Global Connections

Gain deeper insight into African heritage and identity, while understanding Egypt's global impact on politics, religion, trade, and art.

What Students Will Experience & Gain:

✦ Perfect for curious minds passionate about history, culture, archaeology, and global studies.

✦ Builds cross-disciplinary learning – linking history, geography, science, and the arts.

✦ Encourages independence, collaboration, and cultural awareness.

✦ An unforgettable journey that inspires lifelong curiosity and a global outlook.
